Students Trip to Panama - California Exposition, Expenses Paid, Chap- eroned by Teachers

John D. Rockefeller has just offered \$100,000 to a well known Eastern woman's college providing the students and alumni raise a like amount. The San Francisco company, which we are representing east of the Rockies, supplied a plan whereby these women are speedily raising the desired amount.

Another plan has now been made to give the students and teachers in this and other large cities an opportunity to visit the 1915 Exposition at San Diego and San Francisco in specially conducted parties, all expenses paid. Would you like to join?

Special Trains Leave New York

Chicago, Minneapolis, St. Louis and Other Cities

Parties will be composed of teachers, students, superintendents, professors and their families. Many students and teachers are now cooperating with this movement and we take this opportunity of announcing it in this State.

This is not a voting contest but a straight forward business proposition. For particulars address

Blodgett Bros.,
Kerr Bldg., Detroit, Mich.

Sick People should Investigate

I KNOW diseases of both sexes like an open book. Have had 55 years' experience in this State in the practice of medicine and changed hundreds upon hundreds of nervous wrecks into fine, strong men and women. I accept no case I cannot help or cure.

I especially invite all the discouraged, dissatisfied ones to write me about their case or come and see me; it will cost you nothing to get my truthful, honest opinion of your case, as I hold out no make any false promises. I have spent my whole life in the study and cure of chronic diseases, and my study and investigations have been blessed by many new methods of treating diseases. In 1859, I graduated from the Western Homeopathic Medical College, at Cleveland, Ohio, for two years had charge of the Alma Sanitarium, at Alma, Mich., and since that time have had Sanitariums of my own and have one now.

I treat with great success Bright's Disease and Diabetes with a Special Lymph and medicated Milk Diet.

I treat Nervous Troubles—wasting away of the body; loss of vitality, whether from causes or overwork.

I treat Epilepsy, St. Vitus' Dance, Paralysis, etc.—by striking directly at the cause trying to restore the diseased nerves to perfect health.

I treat Locomotor Ataxia—by special treatment, a Lymph compound—directly into the blood, with massage and exercises.

I treat Rheumatism—with baths, Hot Air and Lymph injections.

I treat Piles—and have cured them in from ten to twenty days, never to return.

I treat Diabetes and Bright's Disease—

PHYSICIAN'S PRESCRIPTION FOR INDIGESTION

Important for all those who suffer after eating.

If you suffer from indigestion after eating and find that instead of the one little peppin or soda pill you used to take, it now needs two or three to stop it, it's time you called a halt and did some hard thinking.

The plain truth is that there are thousands of men and women in this country whose stomachs are dead or dying from lack of exercise while they themselves still live.

Years ago a famous physician wrote the prescription for Mi-o-na Stomach Tablets and thousands owe their very life to them today. Most stomach remedies work on the food and digest it. Mi-o-na Tablets strengthen the stomach walls, stimulate the stomach muscles and vitalize the stomach machinery into instant and normal action. C. G. Rhodes and many other leading druggists hereabouts, sell Mi-o-na Tablets, agreeing to refund money in any case where it does not bring complete relief. If your own druggist thinks this well of Mi-o-na you surely ought to try it. adv
